In case you didn't know, the asshole is one of the primary erotic centers in the human male. Sure, the cock gets a large part of the publicity—and deservedly so—but one must never underestimate the power of the asshole. Frequently, a cock and an asshole get together, doubling up on the fun and the pleasure—but sometimes a cock for this purpose is not always handy. What's a fucker to do? Why take matters into his own hands, of course, and take a dildo into his ass, of course, and maybe even something a bit more exotic, if you know what we mean. If you don't know what we mean, perhaps this educational treatise you hold in one of your hands will show you what we mean. And if you get turned on as much as the guys in the pictures, well, why not? Who knows, you might even like it!

Hey, what kind of a party is this anyway? It's an asshole reaming party, that's what it is—among other fun things. When Barry, Harry and Gary get together, out comes the big plastic dong and the lubricating jelly—and into the lucky asshole it goes. The real dongs stand up and take notice as one of the guys squirms and moans as the artificial prick invades his body with strokes guaranteed to poke his prostate, make his balls bubble, and bring a smile to his face. Next?

Why is this man smiling? Need you ask? Take a look at that big piece of make-believe cock shoved up his ass, and that big piece of real-life cock in his stroking fingers. Fletch is in masturbation heaven, getting it two ways at once. Of course he'd rather have your shaft up his ass, but until that time he's willing to get his fucking pleasure any way he can—and as often as he can! That's pretty often, too. Sometimes this stud jerks off a dozen times a day just to keep his hand in!

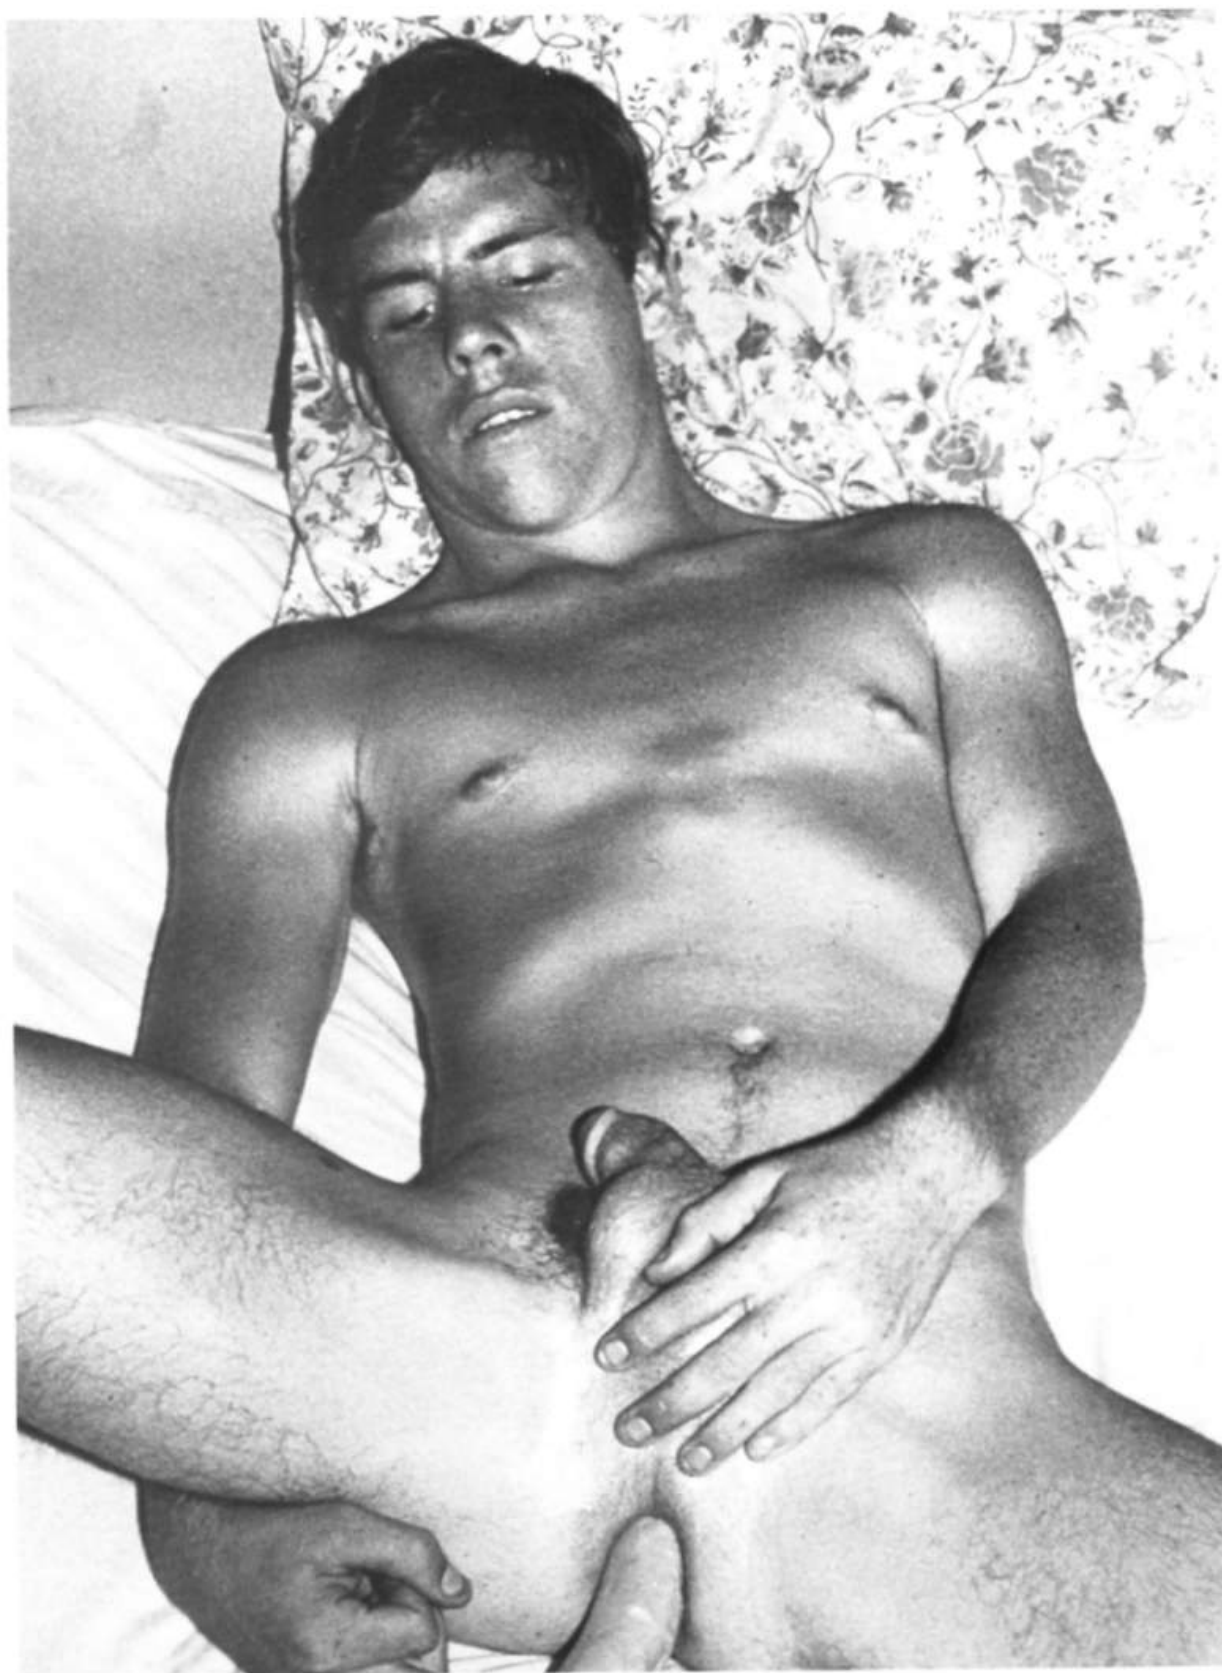

Fletch is a shy one, which appeals to many guys eager to get into his ass. If he wanted to, he could have a different lover every hour on the hour, but Fletch is content to just be a homebody, getting his eight hours of sleep every night and then starting in with the dildo up his ass and his always-stiff cock in his fist!

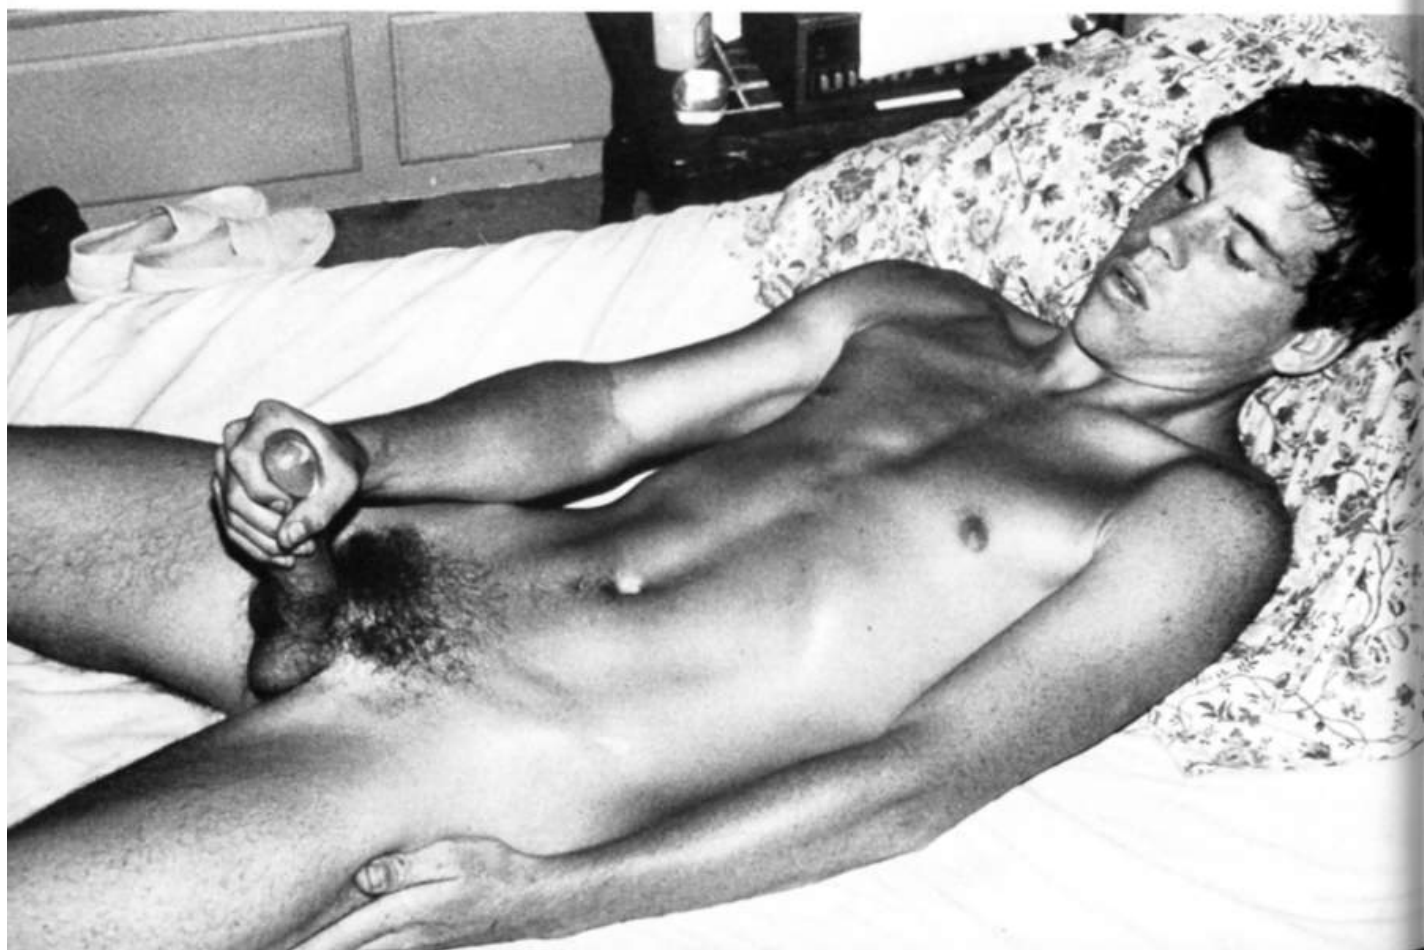

What with pulling his pud and reaming out his brown hole with a dildo, Tad keeps plenty busy and shoots lots of jism over the sheets. A fast shower and he's ready to go at it again. The fun never stops. Sure, he likes to go with guys and suck and fuck—that's only natural, isn't it?—but nothing beats the orgasms he gets beating his own meat while a big bugger is sliding in and out of his puckered cavity!

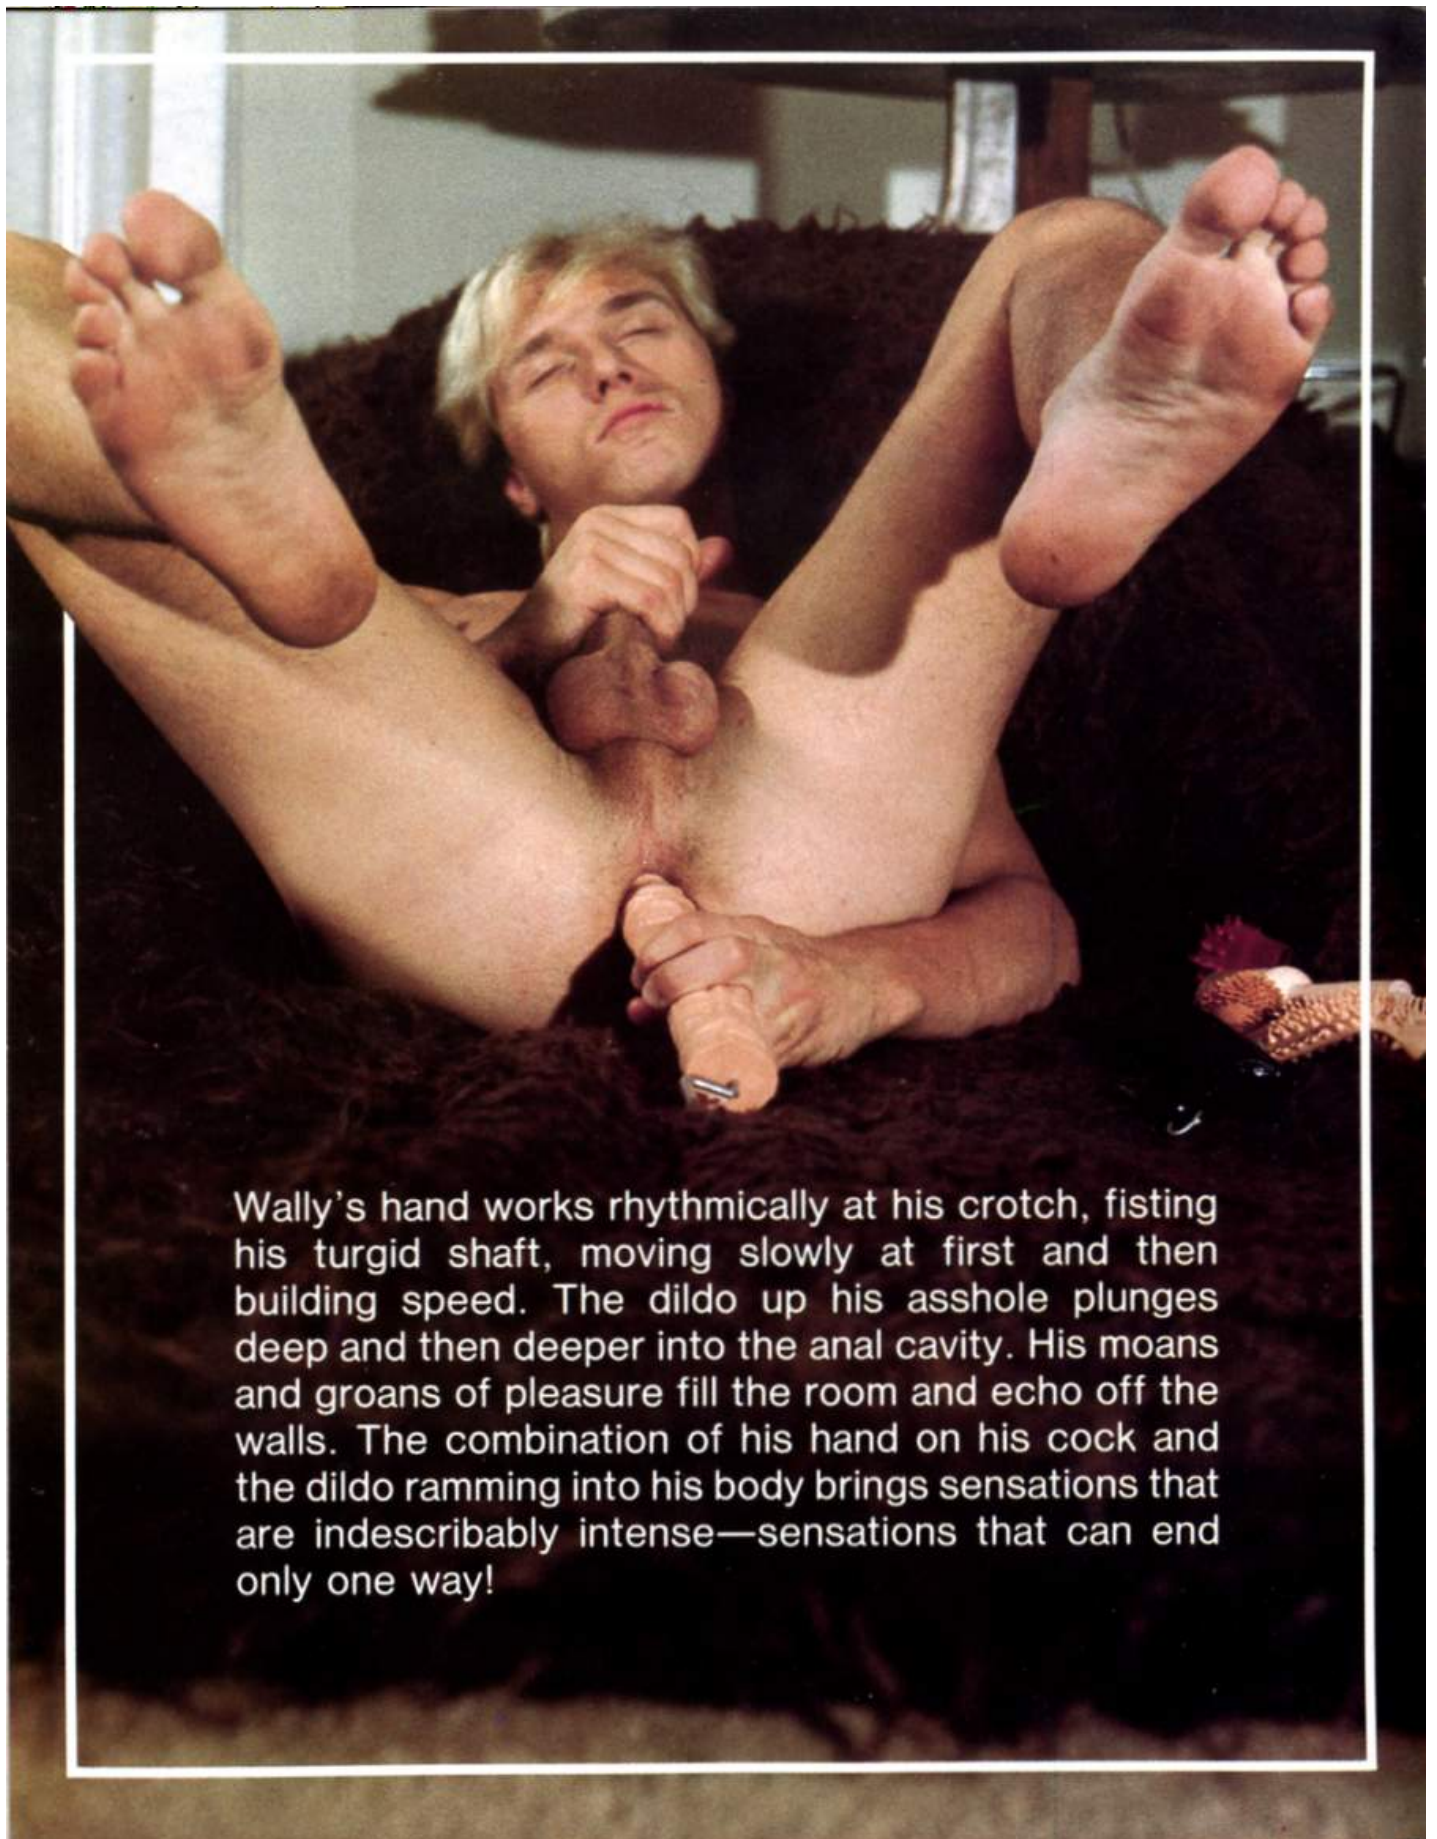

If you unexpectedly went into Wally's pad, here's a scene you might very well see. It's one that Wally gets into quite often when he's between lovers. His dick gets stiff regularly like cockwork so of course he strokes it to orgasm—but the orgasms are more intense and getting there is more fun when he has something shoved up his bunghole. Wally has a variety of dildos—and all of them are favorites!

Wally's hand works rhythmically at his crotch, fisting his turgid shaft, moving slowly at first and then building speed. The dildo up his asshole plunges deep and then deeper into the anal cavity. His moans and groans of pleasure fill the room and echo off the walls. The combination of his hand on his cock and the dildo ramming into his body brings sensations that are indescribably intense—sensations that can end only one way!

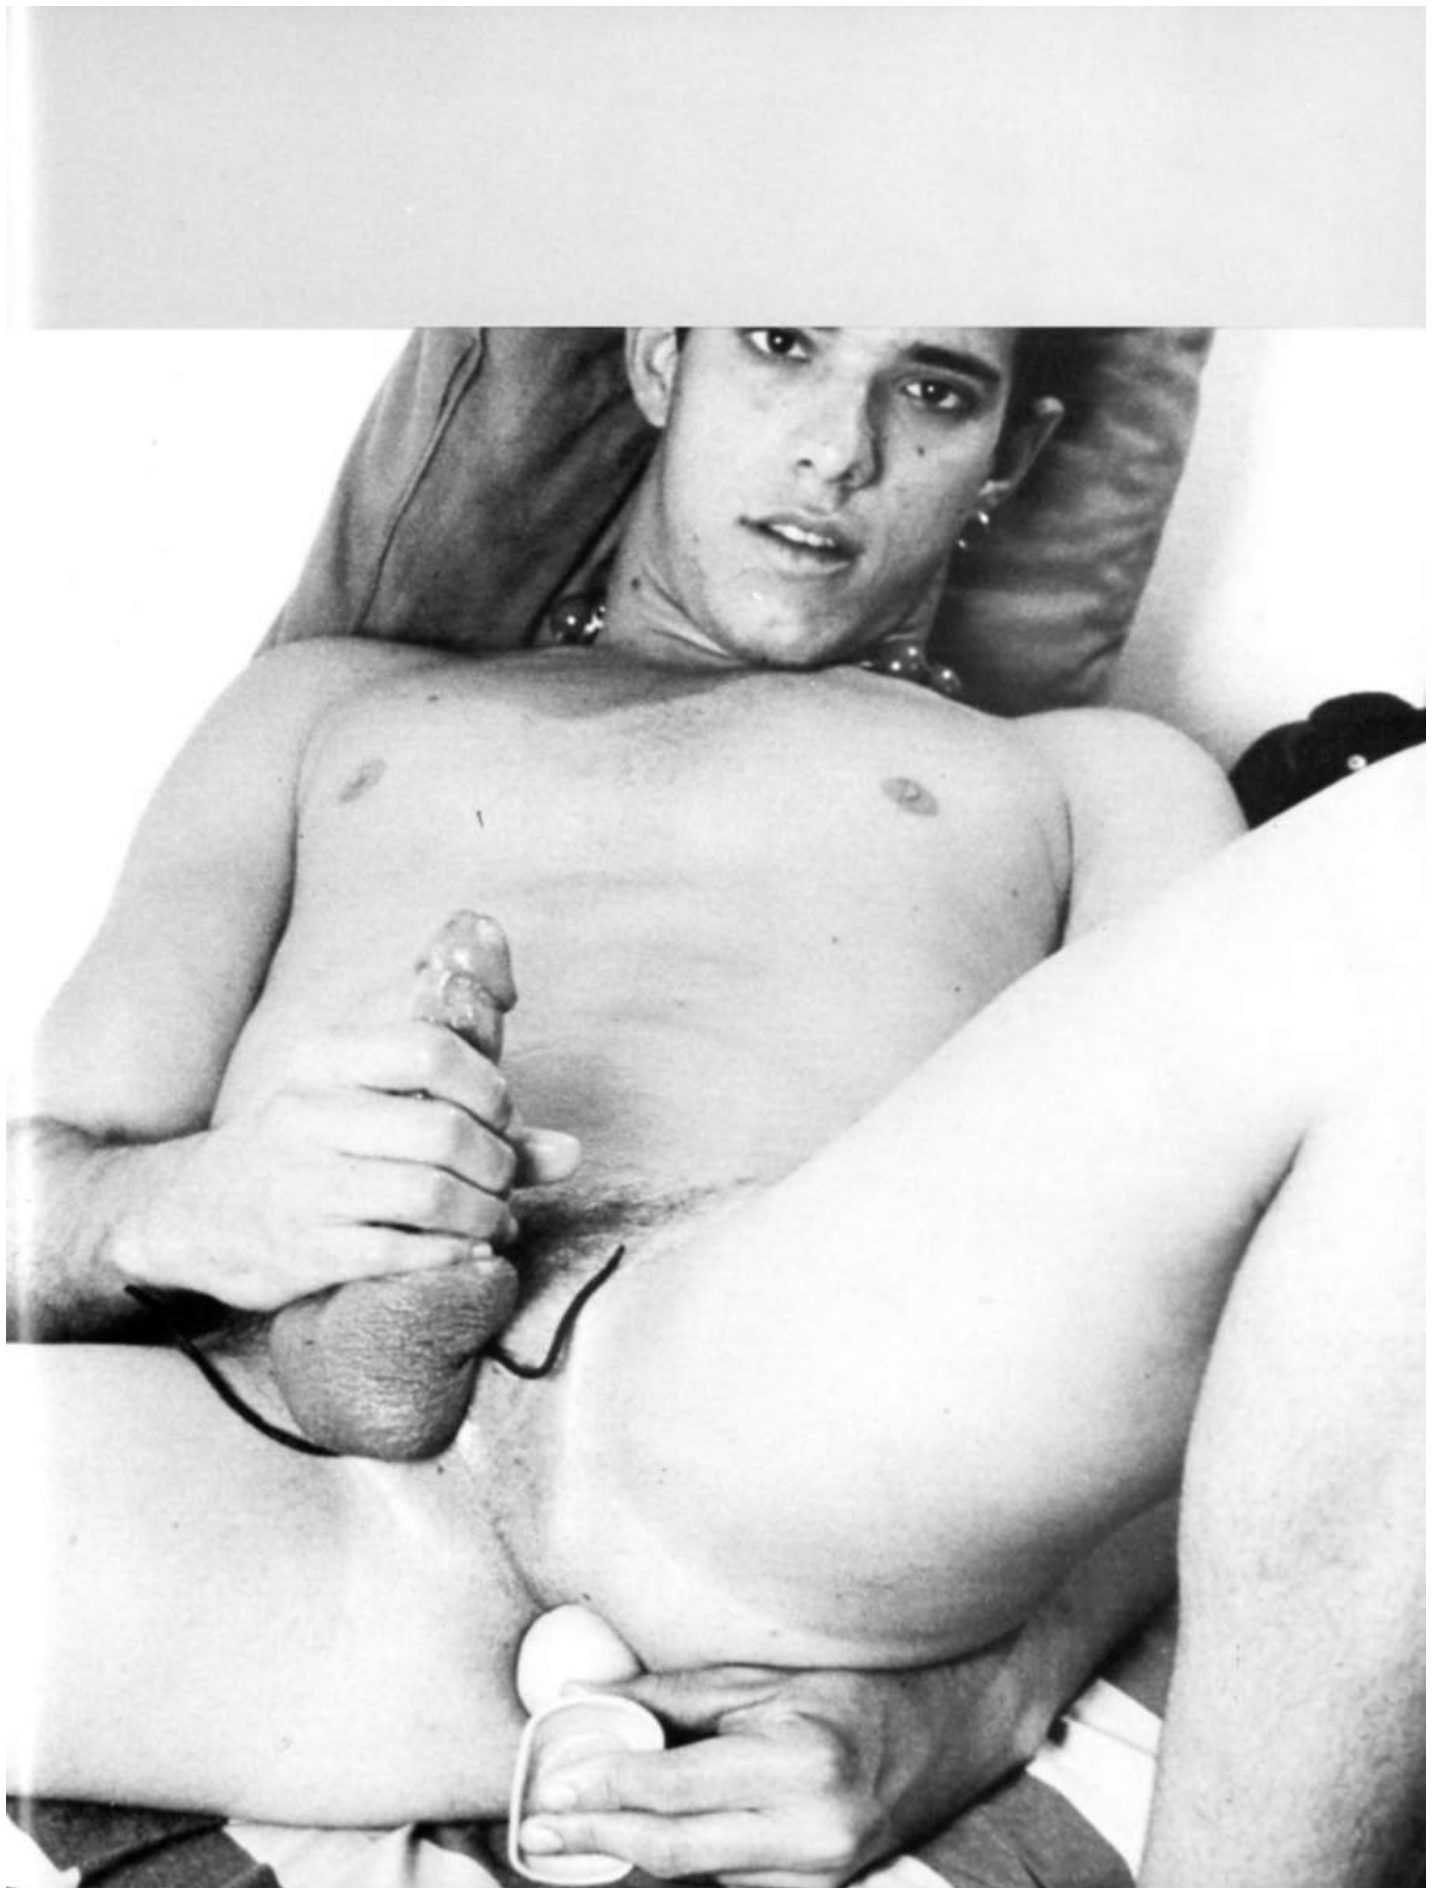

And this is what it's all about: orgasm. The excitement just gets so intense that a guy can't hold back. Frantically he reams the dildo up his ass, frantically he pumps his turgid cock—and there he goes, spouting like a volcano of pleasure!

Ellery knows what he likes, and this is what he likes—a hard dick in his hand and a hard dildo up his ass. The simple pleasures are what he craves, and there's nothing to stop him from simply pleasuring himself whenever he wants, which is as often as he can. Needless to say, a handsome stud like this has to say no a lot of times—well, sometimes anyway—just to get some privacy!

Once in a while, though, Ellery goes for a touch of the exotic—which is when he puts aside the dildo temporarily in favor of his beads. He pushes them all inside his puckered poopchute and then proceeds to masturbate his already-stiff cock while he pops the beads out one at a time. By the time the last bead comes out Ellery is so worked up his cock can't do anything else but pour out gallons of jism!

When you talk about a guy having balls, maybe it's Ellery you have in mind. But here's one hunk who's got more than balls, and that hungry mouth and sturdy prick are proof of it. He's an all-around guy who can give and receive more pleasure than you can shake your stick at—and this daily practice helps him keep permanently primed to take on all comers!

From any position or angle this stud looks good and feels good. He's not about to give up the many pleasures of another lover or two, but you can bet your bottom button he can always find happiness doing things to himself. He turns himself on, and anyone lucky enough to be watching him in action. Ellery has been doing this for years now and has become an expert in getting on and getting off!

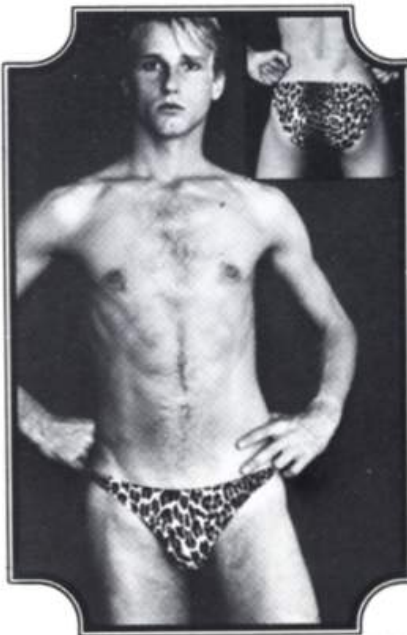

And it's bombs awayyyyyyyy! The force of his orgasm under these conditions is so intense it shakes the bed under him. The neighbors don't complain, though. It just means that Ellery is getting primed for some of the real stuff, and if they accidentally drop by . . .
